NUMBER 8

Is God Fair?

B.J. Webb, Jr. was a high school junior at Wisconsin Lutheran High School in Milwaukee, WI. Earlier this year B.J. was in an automobile accident that eventually took his life. He died on May 23rd. His principal described him as a good academic student and a talented athlete. But now this young, christian man has been taken from this world even before he finished high school. It doesn't seem fair, does it?

Several weeks before he died B.J. had an opportunity to talk about what he thought was fair. As an English class assignment he was asked to respond to the statement "Fair is whatever God wants to do." Please read his response. It is a testimony to his faith and a good reminder for us.

I think that this quote is a very true statement because even though at times we may not like what God allows to happen to us and we think that he is mad at us or trying to punish us, we have to remember that God is in control and that he has our best interest in mind. So we have no right to tell God what is fair or unfair because he is in control and has the power to do anything he wants, for God gives but he can also take away. Who are we to say we are being treated unfairly when God sent his one and only Son to come from heaven to earth, to be humiliated and ridiculed by us and to finally suffer and die on a cross when He had never done anything wrong in His life. So I think that if anyone knows what is fair or unfair it is God. It is unfair for us as sinners to even be able to pray and give praise to God because we are so unworthy, but it is his unending love and amazing grace that allows us to have the privilege of claiming Him as our God. So I think it is true that "Fair is whatever God wants to do." -B.J. Webb, Jr.

St John's Church Council – Special Meeting July 14, 2009

Present: Leo Derkowski, Paul Maasz, Todd Hammerschmidt, Van Tallman, Todd Marotz, Steve Windschitl, Greg Bartz, Jim Mielke, Tom Jensen and Pastor Draper.

Pastor Draper opened the meeting with devotion and a prayer.

Call for Resignation

The Board of Elders expressed concern that a pattern of what the Board of Elders and the Pastor consider to be unacceptable behavior has continued throughout Mr. Kurk Kramer's tenure with the school. Despite counseling and past warnings, recent incidents indicate that this behavior has not changed and the Board of Elders believes it is not likely to change in the future.

Therefore, after much deliberation and prayerful consideration, the Board of Elders has recommended that the Church Council vote to ask for the resignation of Kurk Kramer as school principal and upper grades teacher effective immediately.

A lengthy discussion of the issues surrounding Kurk Kramer's performance as principal and upper grades teacher at St. John's Lutheran School was held. Some Council members spoke in support of Mr. Kramer and others expressed concern at the timing of the request and the fact that no prior warning of this important recommendation and request for action was given with enough time allowed to reflect on the issues and make an informed and deliberate decision. Other Council members believe that Mr. Kramer has had sufficient warnings in the past, has been given too many chances to mend his ways without permanent affect and have reluctantly concluded that the only solution is to call for his resignation.

Jim Mielke/Leo Derkowski made a motion that the Church Council recommend to the voters that Kurk Kramer should be asked to resign his positions as principal and upper grades teacher. The motion was defeated by a vote of 5 to 4.

Todd Marotz/Tom Jensen made a motion to adjourn the meeting. Motion carried.

Meeting closed with The Lord's Prayer.

Respectfully submitted
Leo Derkowski, Secretary
