JULY 2008

VOLUME 1

NUMBER 7

Independence Day

July is the month we celebrate the freedom we have in this country. A brief look at history will show us just how good we have it. For example, it is only in recent times that people have been able to choose their own leaders. We can vote for our leaders and even speak out against them. Imagine doing that while living under one of the ruthless Assyrian kings mentioned in the Old Testament! Execution was a popular method for dealing with those who had contradictory political views.

The ability to choose a career for ourselves and the financial freedom we have is also unprecedented. In the past our options would have been severely limited by our birth and social status, but now our choices are many.

This freedom is not something we deserve or are entitled to (in spite of what our founding fathers thought). This freedom is a gift from God and we thank him for it.

There is an even greater freedom for which we thank God – our freedom from sin and death. **“Therefore, there is now no condemnation for those who are in Christ Jesus, because through Christ Jesus the law of the Spirit of life set me free from the law of sin and death” (Romans 8:1-2).**

As we look around us in this world we see many people who are still subject to the law of sin and death. They still have the chains of their own sins fastened to them and death follows them around, ready to overtake them. Perhaps they desire to be free or perhaps they are so use to their chains they don't realize it could be different. Someone needs to tell them. We need to tell them that there is freedom in Christ Jesus!

We already have that freedom. Jesus Christ has paid the price to free us from the sin that had us chained to God's punishment. Now death is no longer our master, slowly strengthening his grip on us. Death is now our servant who will take us to our heavenly home at God's appointed time. We are free from sin and death. Go and tell others about your freedom.

In Christ our Freedom,
Pastor Draper

REMEMBER OUR SHUT-INS

It is easy to forget about those we do not often see in church or in the community. Our Ladies Aid visits as many of our homebound members as possible, but not all can be visited every month. Won't you help? An occasional phone call, card, or visit would be very appreciated.

Below is a list of our homebound members. Refer to it often as you consider how to reach out. An updated list will be included regularly in the church newsletter.

Ladies Aid

The Ladies Aid Society met on Wednesday, June 4th at 2PM for their regular monthly meeting. President Marlys Lochner, led our devotion, "God's Cook Out", based on Isaiah Chapters 25-26.

Due to the formation of the Congregations Block system to serve for food events in our church, number 8 of our by-laws will be changed to reflect that. It will be voted on in our August meeting. Number 9 of our by-laws states that a \$25.00 fee is to be charged for the use of the church basement and equipment, when the society is not asked to serve. This is to help pay for lights, gas and any abuse or loss of the equipment that may occur. Number 11 by-law states the property of the Society will not be loaned, rented, or removed from the church basement without permission of a Ladies Aid officer. At this time a 45-cup coffee maker is missing from the kitchen. If anyone knows of it's whereabouts, please contact a Ladies Aid officer or the church office. These coffee makers are used for serving for funeral luncheons and other events.

The Ladies Aid does not meet in the month of July. Please join us for our August 6th meeting at 2PM. All ladies of the congregation are invited and encouraged to attend.

Marilyn Deibele,
Secretary

Computer Lab Update

We have sold ten of the old computer lab computers, and have received a couple of Thrivent matching fund donations to be used for technology. A number of computers are still left for anyone to purchase for a minimal fee. There are also a few other items that are for sale at school, a couple of small tables and a desk. Proceeds would go to the technology fund. Any donations toward the Tech Fund would be greatly appreciated! Contact Mr. Kramer or Mrs. Draper if you need more information.
